Anna Throne-Holst for Congress

Will Take On The Gun Lobby & Fight For Commonsense Gun Reforms

1 BACKGROUND CHECKS FOR ALL GUN SALES

Anna Throne-Holst is committed to taking action to prevent gun violence by requiring background checks for those purchasing a gun. This commonsense policy will ensure violent felons, domestic abusers, and dangerously mentally ill individuals are unable to purchase guns.

2 KEEP GUNS AWAY FROM DOMESTIC ABUSERS

Every year, there are more than 13,000 domestic abuse incidents on Long Island. We need to keep our community safe, and that's why Anna supports background checks that will prevent domestic abusers from purchasing or possessing guns.

3 PROHIBIT SUSPECTED TERRORISTS FROM BUYING GUNS

Under current law, suspected or known terrorists who are on the no-fly list are legally allowed to purchase and possess guns – and that needs to change. Anna will work to close the loopholes in our gun safety laws and prevent suspects on the FBI's terror watch list from purchasing a firearm.
