Sen. Thom Tillis: With Millions from the Gun Lobby, It's No Surprise He Opposes Background Checks.

The gun lobby has spent more money electing Thom Tillis than they've spent on 96 of the 100 other U.S. Senators. In Congress, that puts him in the top .01%¹. We need a senator who will stand up for us, not the gun lobby.

-  The gun lobby spent over \$4 million to elect Thom Tillis²
-  Opposed background checks for all gun purchases³
-  Voted against laws that would have kept people convicted of domestic abuse and other serious offenses from purchasing guns⁴
