Second Chance Act: Adult Reentry Education, Employment, Treatment and Recovery Program	DOJ	The purpose of the program is to enhance corrections systems' ability to address the substance use treatment needs of offenders as well as expand education and employment programs that emphasize strong partnerships with corrections, parole, probation, education, workforce development, and reentry service providers. This will work to reduce recidivism, promote recovery, and enhance employment prospects for incarcerated adults reentering the workforce. These partnerships can support the establishment and improvement of academic and vocational education programs and career training programs available in prisons and jails. Overall these efforts will improve public safety and public health. Programs should be focused on the 3-year period before release, as well as upon transition and reentry into the community. Project Safe Neighborhoods	DOJ	On May 26, 2021, the Department launched a violent crime reduction strategy strengthening PSN so that it is built on newly articulated core principles: fostering trust and legitimacy in our communities, supporting community-based organizations that help prevent violence from occurring in the first place, setting focused and strategic enforcement priorities, and measuring the results of our efforts. And the Department expressly underscored that the fundamental goal of this work is to reduce violent crime in the places we call home, not to increase the number of arrests or prosecutions as if they were ends in themselves.	PSN team fiscal agents for the federal judicial districts. All fiscal agents must be certified by the relevant district United States Attorney's Office (USAO). Eligible USAO-certified fiscal agents include states, units of local government, educational institutions, faith-based and other community organizations, private nonprofit organizations (including tribal nonprofit), and federally recognized Indian tribal governments (as determined by the Secretary of the Interior).	PSN grant funding can be used to support a wide variety of evidence-based prevention and intervention programs, including Community Violence Intervention (CVI) programs — such as violence interrupters, street outreach, and hospital-based interventions — which identify those who are at the highest risk and work to reduce violence through targeted interventions. In addition, PSN sites will have access to training and technical assistance resources to assist them in implementing promising prevention initiatives such as CVI.	\$18M divided among 93 federal court districts	Open May 3, 2021; Applications Due July 6, 2021	https://bja.ojp.gov/sites/g/files/xyckuh186/files/media/document/O-BJA-2021-94005.pdf	10 (Group Violence Intervention); 5 (Cure Violence); 6 (Expand support for Survivors of Violent Crime)	
Strategies to Support Children Exposed to Violence	DOJ	This program is for communities to develop and provide support services for children exposed to violence in their homes, schools, and communities. Community Policing Development: Crisis Intervention Teams	DOJ	The Fiscal Year 2021 Community Policing Development (CPD) funds are used to develop the capacity of law enforcement to implement community policing strategies by providing guidance on promising practices through the development and testing of innovative strategies; building knowledge about effective practices and outcomes; and supporting new, creative approaches to preventing crime and promoting safe communities. The Crisis Intervention Teams (CIT) Program is for expansion of the use of crisis intervention teams in order to embed mental and behavioral health services with law enforcement, as well as the development of training programs.	The Implementation of Crisis Intervention Teams subcategory applicant eligibility is limited to local, state, tribal, and territorial law enforcement agencies.	The Department of Justice is committed to advancing work that promotes civil rights, increases access to justice, supports crime victims, protects the public from crime and evolving threats, and builds trust between law enforcement and the community. Law enforcement plays a vital role in each of these areas, through developing and maintaining meaningful relationships with all segments of their communities, and working in partnership with those communities to provide effective crime prevention, intervention, and response services and resources. For all Fiscal Year 2021 COPS Office grant solicitations, applicants should consider these priorities when applying for COPS Office funding to advance community policing, and address these strategic planning priorities within their applications as applicable.	\$10M in total awards, with 34 two-year implementation grants with a max award of \$250,000 and one technical assistance grant for \$900,000	Open May 20, 2021; Applications Due July 8, 2021	https://cops.usdoj.gov/pdf/2021AwardDocs/cpd_cit/solicitation.pdf	12 (911 Diversion and Civilian Response)	
Community Policing Development: De-escalation Training	DOJ	The COPS Office is providing direct grants to state and local law enforcement agencies to support their ability to build and maintain their officers' de-escalation proficiency. Funding may be used to support attendance at nationally certified de-escalation train-the-trainer programs and to build agencies' internal capacity to provide de-escalation training to their officers. For train-the-trainer and internally provided training, the selected training provider or curriculum will require review and approval by the COPS Office prior to delivery. Grant funding may be used to support internal training costs, including overtime and investments in Virtual Reality/Augmented Reality (VR/AR) technology. Funding may also support the development of resources (roll-call videos, toolkits, etc.) to support agencies' de-escalation training efforts and to promote continual learning and maintenance of skills. Deliverables developed by grant funding will be shared with the De-Escalation National Training Provider to share best practices and resources to support de-escalation training efforts nationwide.	Local, state, tribal, and territorial law enforcement agencies.	All final award decisions will be made by the Director of the COPS Office, who may also give consideration to factors including prior funding history, current award balances, underserved populations, population served, geographic diversity, strategic priorities, past performance, significant concerns regarding ability of the applicant to administer federal funds, and available funding when making awards.	\$15M in total awards, with a \$200,000 cap for individual applicants	Open June 3, 2021; Applications Due July 22, 2021	https://cops.usdoj.gov/pdf/2021AwardDocs/cpd_de_escalation/solicitation.pdf	13 (De-escalation Training)	\$198,400 to Missouri Department of Public Safety, De-Escalation Law Enforcement Agency Grants
Community Policing Development: Microgrants	DOJ	Community Policing Development (CPD) Microgrants funds are used to develop the capacity of law enforcement to implement community policing strategies by providing guidance on promising practices through the development and testing of innovative strategies; building knowledge about effective practices and outcomes; and supporting new, creative approaches to preventing crime and promoting safe communities. The 2021 CPD Microgrants program has been established to fund specific projects related to the following subcategory areas: • <u>Community Trust and Legitimacy</u> • <u>Officer Engagement</u> • <u>Youth Engagement</u> • <u>Hate Crimes and Domestic Terrorism</u> • <u>Community Violence Intervention</u>	This solicitation is open to all local, state, tribal, and territorial law enforcement agencies.	Addressing street-level community violence in a holistic, multipronged approach with intervention programs such as group violence interventions, focused deterrence, and wraparound services strengthens community resilience and builds social capital. The COPS Office will provide funding to develop and enhance programs that engage the community in violence reduction efforts including street outreach, violence interrupters, hospital-based interventions, and other strategies that provide wraparound services to communities.	\$3M in total awards, with a max award amount of \$125,000 for a 12-month performance period	Open May 20, 2021; Applications Due July 8, 2021	https://cops.usdoj.gov/pdf/2021AwardDocs/cpdmicrogrants/solicitation.pdf	9 (Homicide and Nonfatal Shooting Clearance Rates); 10 (Implement GVI); 11 (Problem Analysis and Shooting Review); 12 (Emergency Co-Responder Model); 13 (De-escalation Training)

The Department is committed to awarding grants to high-quality applicants who are serving high-crime, high-poverty areas that have a scarcity of reentry services. In making awards, ETA will consider the existing landscape of reentry services in the geographic area targeted for service by an applicant. Applicants must demonstrate that their target areas are underserved and in need of reentry services. ETA will give priority consideration to projects in which all of the target areas are high-poverty, high-crime areas, and the project service centers for all of the target areas are or will be located within and serve the target areas by the start of project enrollment.	\$25M in total funding (6 awards with max amount of \$4.5M over a 42-month performance period)	Open March 15, 2021, Applications Due April 26, 2021	https://www.grants.gov/web/grants/view-opportunity.html?oppId=332009	8 (Expand Services for High-Risk Individuals)

Choice Neighborhoods - Planning Grants	HUD	<p>The Choice Neighborhoods program leverages significant public and private dollars to support locally driven strategies that address struggling neighborhoods with severely distressed public housing and/or HUD-assisted housing through a comprehensive approach to neighborhood transformation. Local leaders, residents, and other stakeholders, such as public housing agencies, cities, schools, police, business owners, nonprofits, and private developers, come together to create and implement a transformation plan that revitalizes distressed HUD housing and addresses the challenges in the surrounding neighborhood. The program helps communities transform neighborhoods by redeveloping severely distressed public and/or HUD-assisted housing and catalyzing critical improvements in the neighborhood.</p> <p>To this end, Choice Neighborhoods is focused on three core goals:</p> <ol style="list-style-type: none"> 1. Housing: Replace severely distressed public and HUD-assisted housing with high-quality mixed-income housing that is well-managed and responsive to the needs of the surrounding neighborhood; 2. People: Improve outcomes of households living in the target housing related to income and employment, health, and education; and 3. Neighborhood: Create the conditions necessary for public and private investment in distressed neighborhoods to offer the kinds of amenities and assets, including safety, good schools, and commercial activity, that are important to families' choices about their community. 	Public Housing Agencies, local governments, tribal entities, and nonprofits are eligible to apply. An eligible neighborhood for Choice Neighborhoods grant funds is a neighborhood with at least 20 percent of the residents estimated to be in poverty or have extremely low incomes based on the most recent data collected by the U.S. Census Bureau.	Note that one of the neighborhood objectives is Safety: Residents are living in a safer environment as evidenced by the revitalized neighborhood having significantly lower crime rates than the neighborhood had prior to redevelopment and maintaining a lower crime rate over time. Preference Points: This NOFO offers 2 points for either Historically Black College and University (HBCU) Designation, Promises Zones, or Opportunity Zones. In addition, an application will receive 5 points if the target housing and the surrounding neighborhood are located in an officially designated investment priority area (e.g., redevelopment area, Tax Increment Finance district, CDBG Neighborhood Revitalization Strategy Area, etc.).	\$5M in total grants (approximately 11 awards of \$450,000 each for a two-year planning period) - 5 percent match requirement	Open May 12, 2021; Applications Due July 13, 2021	https://www.hud.gov/sites/dfiles/SPM/documents/Foa_Content_of_FR-6500-N-38.pdf	15 (Remediate Vacant Properties)	Based on awards history, the only award for St. Louis came in 2014 to Urban Strategies, Inc (USI), O'Fallon Place Near North Side \$500,000.
Choice Neighborhoods - Implementation Grants	HUD	See above. Choice Neighborhoods Implementation Grants support those communities that have undergone a comprehensive local planning process and are ready to implement their "Transformation Plan" to redevelop the neighborhood.	The Lead Applicant must be a local government, Public Housing Agency (PHA), or a tribal entity. A Co-Applicant can be a local government, Public Housing Agency, tribal entity, or the owner of the target HUD-assisted housing (e.g. a nonprofit or for-profit developer). If awarded a Choice Neighborhoods grant, the grantee may enter into subrecipient agreements with nonprofit entities or state or local governments for the performance of Supportive Services activities under the Transformation Plan. The grantee is not required to undertake a competitive procurement under 2 CFR part 200, or any superseding guidance, to select a nonprofit or state or local government subrecipient.	Priority consideration for Promise Zones. In addition: Public Safety priority (2 points). The public safety strategy should ensure that a comprehensive, community-based strategy will bring together public safety entities with other community groups and institutions to coordinate activities that improve key measurable outcomes for community safety. Applicants are encouraged to consider evidence-based approaches with a demonstrated record of success of increasing public safety and decreasing Part I Violent Crimes, gang activity, and illegal drugs, including Community Violence Intervention (CVI) strategies which reduce gun violence through tools other than incarceration. Describe specific activities that will be undertaken to address and prevent high rates of Part I Violent Crimes, gang, and illegal drug activity in the target neighborhood through CVI initiatives (such as deploying "street outreach workers," hosting group interventions, crime prevention through design, or victim support through hospital-based interventions).	\$218M in total funding (with 5 individual awards with a max award of \$50M for a six-year grant term: September 1, 2022 to September 30, 2028)	Open November 16, 2021; Applications Due February 15, 2022	https://www.hud.gov/sites/dfiles/PIH/documents/Foa_Content_of_FR-6500-N-34.pdf	5 (Cure Violence); 6 (Expand Services for Survivors of Violent Crime); 10 (Group Violence Intervention); 14 (Remediate Vacant Properties)	According to the award history, St. Louis City received a \$29M award in 2016: City of St. Louis Preservation Square/O'Fallon Place (HUD-assisted) Near North Side
